

SCS Celebration

DLF Pickseed Canada accepted the Premier Tech **Excellence Award** on September 12, 2019 at the Grand Banquet in Rivière-du-Loup, Quebec, as part of the Premier Tech Supply Chain Summit Celebration!

Dennis Callaghan, *Director Consumer Turf & Logistics* for DLF Pickseed was honored to receive this award on behalf of the entire DLF Pickseed Canada team. “We have respected, valued and enjoyed our partnership with Premier Tech from the beginning. We look forward to mutual success for years to come”.

Michel Noreau, *Senior Vice President, Information Systems & Procurement* for Premier Tech stated, “The **Excellence Award** rewards a supplier that helped set Premier Tech apart. By constantly strengthening its ties to Premier Tech, this supplier went above and beyond expectations and crushed performance targets. This award acknowledges much more than a supplier, but a true business partner and a major contributor to Premier Tech’s success, and its clients.

The ability and flexibility of DLF Pickseed are undisputed! This long-term business partner constantly finds ways to innovate and adapt to market fluctuations in order to stay up to date with cutting-edge technology. Actively involved in Research & Development, DLF Pickseed has been creating products that truly make a difference for many common customers. A true team player, the company built a solid relationship with Premier Tech. Together, there is no limit to what we can accomplish”! DLF Pickseed Canada was chosen from an elite list of over 2,000 suppliers!

“We have enjoyed a strategic alliance with Premier Tech for over fifteen years, backed by strong delivery performance, technical support and collaborative efforts in product development and solutions” says Rob Clark, *President and CEO*. “I would like to thank Dennis and his team for their dedication, passion and contribution towards this achievement. I would also like to thank Premier Tech for such distinguished recognition.”
